Donors to the Shirley Plantation Foundation are stewards of North America's oldest family-owned business, Virginia's first plantation, and the heritage of America's entrepreneurial spirit. Shirley Plantation is an educational resource unlike any other in America and has been designated a National Historic Landmark. The mission of the Shirley Plantation Foundation is to support the Hill Carter family's efforts to *preserve, protect* and *pass on* to future generations of Americans the relevance of Shirley's heritage through advocacy, education and community involvement.

Founded in 2009, the Shirley Plantation Foundation is a pioneering project due to its distinctive organizational structure and agreements with the 10th and 11th generations of the Hill Carter family. Already garnering praise for its forward-thinking corporate structure, we invite you to become a steward of this national treasure and join the Shirley Plantation Foundation today!

The Shirley Plantation Foundation is a 501 (c) (3) not-for-profit corporation dedicated to educating and sharing with the public the value and relevance of family heritage to Shirley's and America's history. The corporation is organized for charitable and educational purposes to include conservation, management and preservation of Shirley Plantation's historic buildings, lands, museum collections, artifacts and intellectual property while allowing the general public to continue visiting Shirley Plantation. The Shirley Plantation Foundation receives no regular local, state or federal support and sustains itself with membership, admission revenue, merchandise profits, and donations.
